

# COVID-19 VACCINE INFORMATION FOR VACCINES ADMINISTERED AT P-1

P1 is located on the ground floor of the two-story parking deck on the Floyd Medical Center main campus.

**From North Fourth Avenue:** Turn into the Floyd Medical Center main parking lot between the two-story parking deck and 330 Physicians Center. P1 is located on left on the ground floor of the parking deck.

**From West Fifth Street:** Turn into the Floyd Medical Center main entrance across from Historic Barron Stadium. Turn right at the four-way stop. P1 is located on the right on the ground floor of the parking deck.

**Look for this graphic**

Please park in the designated P1 Reserved Parking spaces facing the two-story parking deck and 330 Physicians Center.

If mobility is a concern, plan to bring a friend or family member to assist you. A limited number of wheelchairs are available. Please bring your own wheelchair or walker.

Please bring and wear a medical grade mask. Masks are always required in P1.

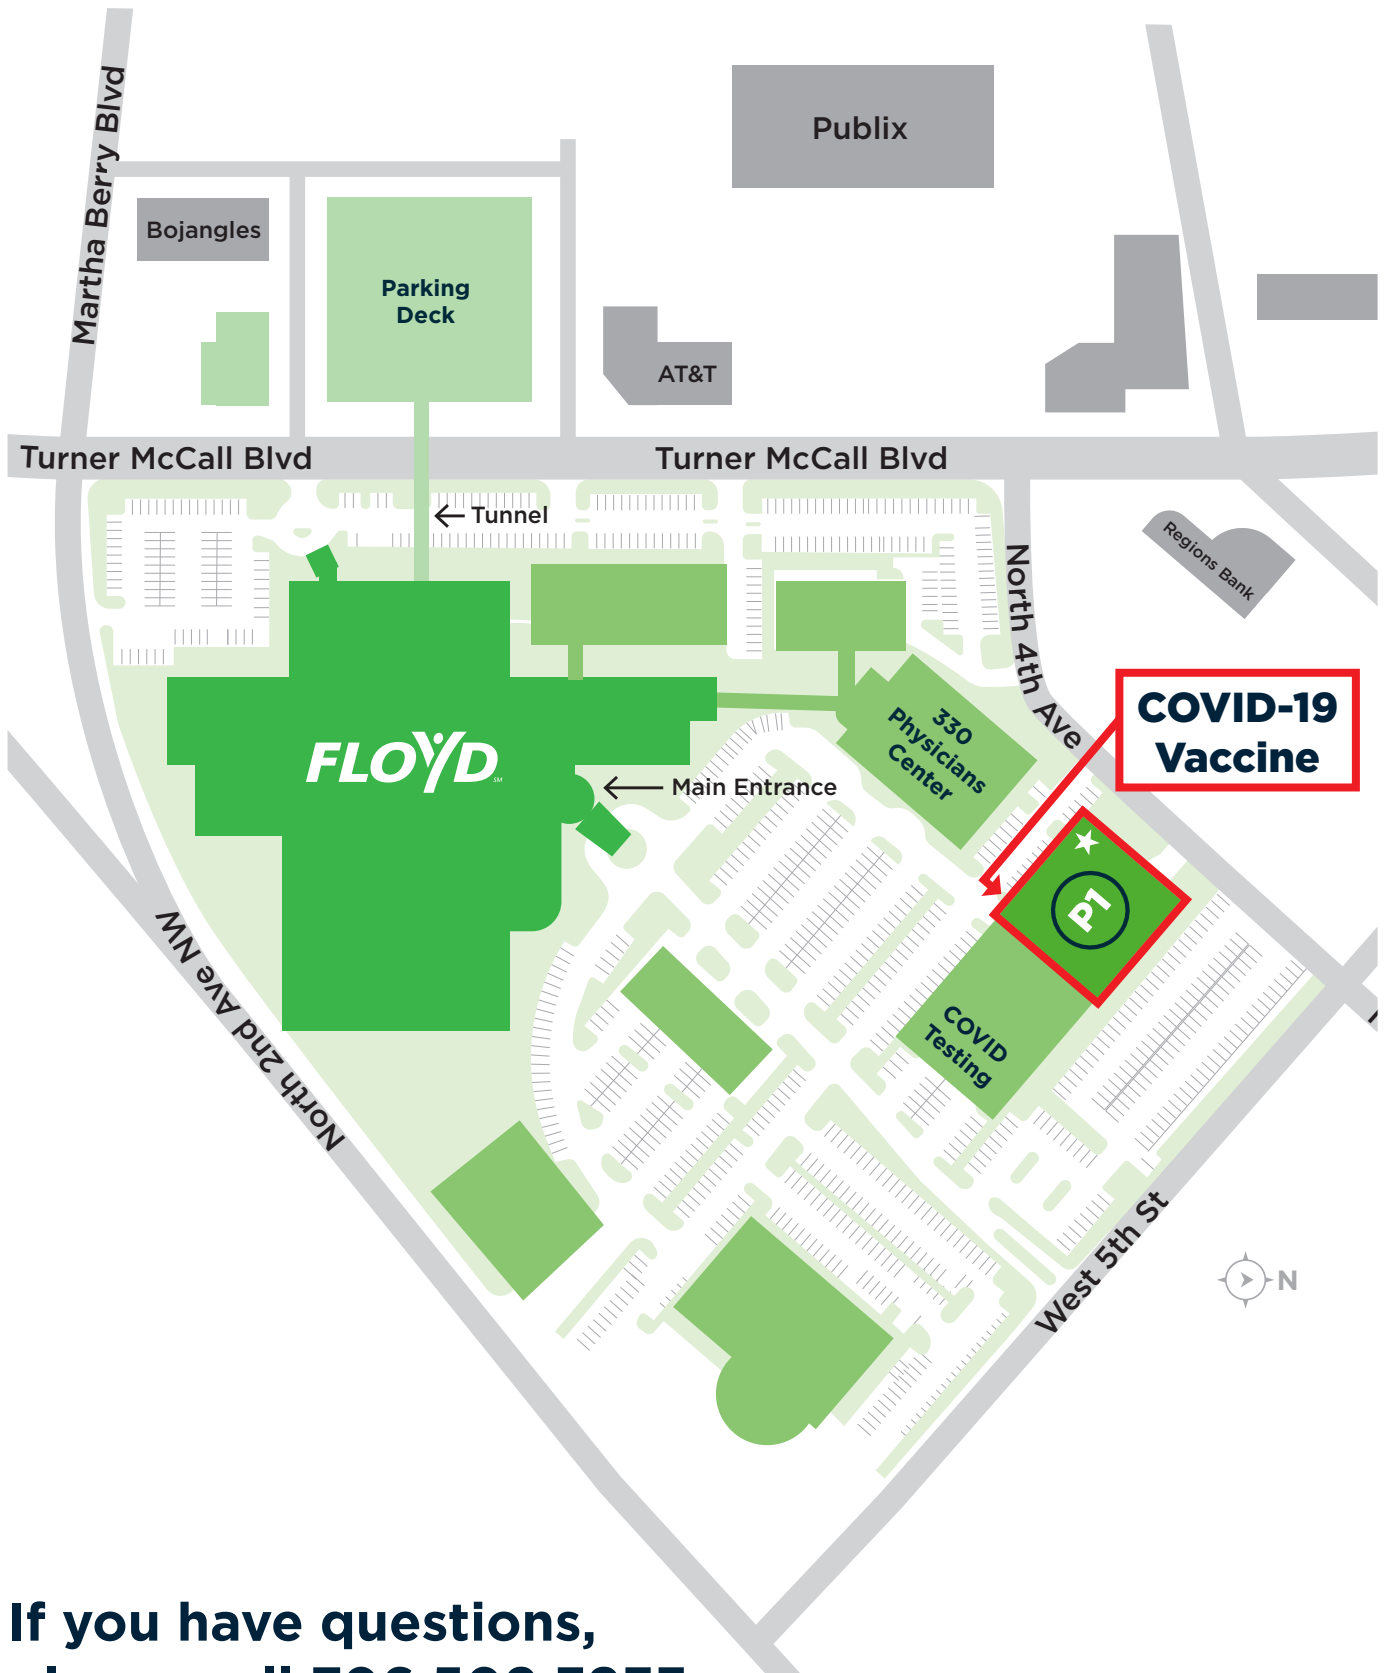

Most vaccine recipients should expect to be at P1 for 20-30 minutes.

Vaccine recipients will be observed after their vaccination for adverse reactions. All individuals are monitored for 15 minutes. Individuals with previous reactions will be monitored for 30 minutes.

Vaccine recipients will be asked to complete demographic information, screening questions and a consent form. Recipients' information will be recorded in the Georgia Registry of Immunization Transactions and Services (GRITS) database. Recipients also will be scheduled for their second dose appointment.

**If you have questions,  
please call 706.509.3933.**
